WINE LIST

All our wines are sourced by Les Caves de Pyrene, a small company that aims to promote wines 'real wines'; delicious, tasty, unmediated wines; diversity of style and indigenous grape varieties; the endeavours of small independent growers and the importance of sustainable, organic viticulture. They work from the point of view of understanding the wine by trying to understand the country, the region, the microclimate, the vineyard and the grower.

Every wine tells a story and that story deserves to be told.
